

AiSED

AI, Sustainable Entrepreneurship and Diplomacy

INTERNATIONAL CONFERENCE

**SHAH ALAM CONVENTION CENTRE, MALAYSIA
2 - 4 DECEMBER 2026**

HOST:

JOINT ORGANISERS:

STRATEGIC PARTNER:

AiSED International Conference 2026:

Harnessing AI. Empowering Innovation. Advancing Sustainable Futures

The AiSED Conference 2026 brings together global thought leaders, policymakers, academics, entrepreneurs, diplomats and industry practitioners to explore how Artificial Intelligence, Sustainable Entrepreneurship and Diplomacy can shape a more resilient, inclusive and future-ready world.

Set against the vibrant backdrop of Shah Alam, the capital city of the state of Selangor and within Kuala Lumpur, this international conference serves as a dynamic platform for knowledge exchange, strategic collaboration and transformative ideas that bridge technology, sustainability and global cooperation.

Hosted by AiSED, with Asia e University and Gaine Academy as Joint Organisers, the conference aims to inspire meaningful dialogue and actionable solutions that advance innovation, strengthen sustainable development and foster international partnerships in the AI era.

The conference is proudly held under the patronage of Duli Yang Teramat Mulia Raja Muda Selangor, Patron of AiSED, whose distinguished support reflects the importance of responsible innovation, educational excellence and sustainable global progress.

Participants can expect insightful keynote addresses, high-impact plenary discussions, technical paper presentations, industry forums, workshops and networking opportunities featuring renowned experts and emerging voices from around the world.

Who Should Attend?

Academics & Researchers

Policy Makers & Leaders / Diplomats

Business Owners & Entrepreneurs

Industry Professionals

Postgraduate Students

Why Attend?

Engage with global leaders and experts in AI, sustainability and diplomacy

Present research and innovative ideas on an international platform

Build strategic collaborations across academia, industry and government

Explore emerging trends shaping the future of business, education and society

Gain publication opportunities in selected SCOPUS/ MyCITE indexed journals

Experience Shah Alam/ Kuala Lumpur - a thriving regional hub for innovation and entrepreneurship

Conference Highlights

Royal Opening Ceremony by DYTM Raja Muda Selangor

Keynote & Plenary Sessions by Global Thought Leaders

Expert Workshops & Industry Panel

Roundtable Discussions

Networking & Cultural Experiences

Student Colloquium

Gala Dinner & Awards Presentation

Conference Theme

Harnessing AI, Empowering Innovation, Advancing Sustainable Futures Through Entrepreneurship and Diplomacy

Key Thematic Tracks

The conference welcomes papers, presentations and discussions in, but not limited to, the following areas:

1. AI for Sustainable Development

Exploring how AI can address global sustainability challenges and accelerate the achievement of the Sustainable Development Goals (SDGs).

2. Sustainable Entrepreneurship and Innovation

Innovative business models, startup ecosystems, social enterprises and sustainable value creation in the digital economy.

3. AI and Digital Transformation in Business

Emerging technologies, automation, digital leadership, smart enterprises and AI-driven organisational transformation.

4. Diplomacy in the AI Era

The evolving role of diplomacy, international relations and global cooperation in an increasingly AI-powered world.

5. Policy, Governance and Ethics of AI

Responsible AI, governance frameworks, data ethics, cybersecurity, trust, regulation and public policy considerations.

6. Green Economy and Circular Business Models

Sustainable industries, circular economy strategies, ESG practices and green innovation for future economies.

7. Education, Skills and AI for Future Work

Future-ready education systems, lifelong learning, micro-credentials, workforce transformation and digital talent development.

8. Smart Cities and Sustainable Societies

Urban innovation, smart infrastructure, digital governance and technology-enabled sustainable communities.

9. AI for Health, Well-being and Human Security

AI applications in healthcare, mental well-being, public health systems and human-centred technological solutions.

10. Global Collaboration and Future Diplomacy

Cross-border partnerships, international development, strategic alliances and collaborative innovation ecosystems.

Awards Categories:

- Best Paper Award
- Best Presentation Award
- Best Innovation Award
- Best Postgraduate Research Award
- Strategic Partnership Recognition

Submission of Papers

Researchers, academics, postgraduate students, policymakers, industry practitioners and professionals are invited to submit original and unpublished papers related to the conference theme and thematic tracks.

Submissions may include:

- Conceptual papers
- Empirical research papers
- Case studies
- Policy analyses
- Innovation and industry papers
- Applied research and best practice papers

Submission Guidelines

- Abstracts should be between 250 – 300 words.
- Full papers should be between 4,000 – 6,000 words.
- Papers must be written in English.
- All submissions must be original, unpublished and not under consideration by other conferences or journals.
- Submissions will undergo a peer-review and editorial evaluation process.
- Authors are encouraged to align their papers with the conference thematic tracks and interdisciplinary focus areas.
- Selected papers will be considered for publication opportunities in SCOPUS-indexed journals, MyCITE-indexed journals and other international peer-reviewed publications.

Further updates regarding paper templates, review guidelines and publication opportunities will be announced through the official conference communication channels.

Be Part of The Movement

Join an international community committed to leveraging AI, entrepreneurship and diplomacy to create sustainable impact, empower societies and shape the future of global innovation.
